

3rd Grade eLearning Information

Assignments

Every eLearning day, students should get on Classkick and check their eLearning class – **Roth eLearning**. There they will find an agenda of that day's assignments (ex., "Agenda Monday 4/6) as well as the assignments themselves to be completed.

- Monday's assignments will be posted on student's eLearning Classkick on Sunday evening.
- Wednesday's assignments will be posted on student's eLearning Classkick on Tuesday evening.
- Friday's assignments will be posted on student's eLearning Classkick on Thursday evening.

All work for the week will be left up until the following Sunday at 3:00 pm, at which time it is due. If work is not completed, your student will be marked absent for the day it was assigned and will receive a zero for any incomplete assignments. We are trying to send it out in little chunks to avoid overwhelming students with work, as well as, we know that some schedules are not conducive to finishing the assignments in one day. **AGAIN, THESE ASSIGNMENTS ARE MANDATORY AND COUNT FOR GRADES AND ATTENDANCE.** We are also attempting to make this as independent as possible for students, requiring minimal help. Students should be giving their best effort on all tasks and only asking for help after attempting it on their own. Trust us, some students will "need help" just so they can get the answers! 😊

HELP!

If students need help on something, we are available from 10:00am to 12:00pm, and 1:00pm to 3:00pm on eLearning days. On Classkick there is a "Raise your Hand" feature in the top right corner. When students click on that and select "Please Help" it notifies us that your student needs some assistance. Also, when they select that help button, at the bottom, it allows students to type a message to us. This is an excellent way to receive help on assignments. Another way a student is able to ask for help from us is by using the audio feature on their Classkick tool bar. If students select the microphone (it might ask them if Classkick can access the microphone and students are to select "Yes") and press record, they can record their voice and it will pop up on their screen for us to see and respond to.

Now parents, if you have any questions or concerns, email is going to be the best way to communicate with us. We encourage you to reach out to us because that will be the only way we know what is working and what is not working. This is completely new territory for all of us and we are willing to be super flexible to make it work the best we can. My email is hroth@lsc.k12.in.us

Useful Information

- Students should have a password sheet in their binder, but if at any time they are unsure of their login information, please email me.
- Students can "check out" books on our digital library. They go to ClassLink, and then Overdrive. If it prompts them to log in, use their LSC login information.
- DreamBox will be available 24/7
- Accelerated Reader will be available from 8 am – 8 pm, Monday – Friday. FYI, the app in ClassLink is now labeled Accelerated Reader instead of Renaissance Place.
