Responsibility—To be accountable for your actions

How Important is Sleep?

Make Sure Your Kids Get Enough Sleep

A child is in kindergarten should be getting 10 hours of sleep each night.

Not getting enough sleep can cause many different problems. You know that when your child is tired he or she can be grumpy and emotional. There are other problems that aren't as obvious. Being overtired makes it easier to get sick. In school, students who are tired have a harder time paying attention, and they have a harder time remembering what they are supposed to be learning.

For many students, school starts early in the morning. Activities, television, and computers make it easy for students to be wide awake late into the night. The end result? Tired students.

Aim for your child to go to sleep around the same time each night and to get up at about the same time every day – even on the week-ends. Having an established sleep schedule will make it easier for the student to get the sleep he or she needs.

Parent Teacher Conferences

October 19-20 from 4-7:00 p.m.

Make sure to attend conferences and see what great things your child has been doing! This is a great opportunity to ask your child's teacher questions about homework, points and more.

Raider Rally

Each month Glen Acres has a Raider Rally. During this celebration, we bring the entire school together. We recognize exceptional behavior in and outside of the classroom. Students are able to work together as a class to earn the...

Mrs. Welsh's Class ~ "Golden Spatula" - Outstanding behavior and cleanliness in the cafeteria

Mrs. Switzer's Class ~ Golden Plunger - Outstanding cleanliness in their classroom

Students are also able to earn tickets throughout the month. Tickets are drawn for small prizes every Friday. Then all the tickets that weren't drawn are added together and drawn for larger prizes each month at the Raider Rally. This month students were able to earn sidewalk chalk, hula hoops, and a skateboard.

To finish up the Raider Rally, each teacher nominates an "Outstanding Student" from their class. These students get a certificate from Subway and their picture is placed on the bulletin board outside the office.
